Help Wanted

State Membership Coordinators

The Midwest Region is spread over NE, KS, MO, OK, AR and southern IL. We are looking for a membership coordinator for each of those areas. Duties would include contacting new members, recruitment and retention, and planning events. If you're interested, contact Dick Koop at carnut13@sbcglobal.net

Editor

We will be sending these flyers out for the near future, but our eventual goal is to produce a high-quality newsletter every quarter. We are looking for an editor who has publishing skills and the necessary software. If you're interested, please contact Jon Wessel at jon442@aol.com

Social Media Coordinator

We want to establish a presence on social media, with emphasis on Facebook. If you're social media savvy and would like to help us with this, please contact Jon Wessel at jon442@aol.com

Got Ideas?

The next Board of Managers meeting will be March 18th. We'd love to hear your ideas on how we can make this a better region, what you would like to see for events, or anything else that's on your mind. Please send one of us an email before then so we can add it to the agenda.

'17 Grand National Meet

Only one national meet will be held in 2017, the Grand National Meet on August 9th through 13th at Dearborn and Hickory Corners, MI. This show will celebrate the 100th anniversary of the incorporation of the Lincoln Motor Company. All four Lincoln clubs will be in attendance, and it is estimated that over 150 Lincolns will attend this show. A lot of great activities and tours are planned, so be sure to get your registration in as soon as possible.

All Fun, No Judgements

Our philosophy as a region is to bring Lincoln fans together to have a good time. We will strive to make our events fun, low-key, and affordable. In that spirit, we will not be judging cars at our events. We want everyone to feel comfortable in bringing their car, regardless of condition or type.

The LCOC has a very talented and dedicated team of judges who will be on hand at national meets for those who wish to have their vehicle judged. They will also provide an exhibition class for non-judged vehicles, and they also encourage all Lincoln vehicles to attend, regardless of condition or type.
